

Former Local 1011 employee passed away

Greetings:

I don't know if this is the correct e-mail address for this kind of info, but I have tried to call the SOAR office without luck.

My father, Julian Zielazny, passed away on July 10, 2004 at the age of 82. He was a member of Local 1011, and retired from LTV (Youngstown) 20-years ago.

If you have a print or electronic newsletter, please include a brief mention of his passing.

Best regards, Mark Zielazny Mark@aggintl.com
